

Sunderland and District Canine Society 23rd April 2017

Spaniel (English Springer)

Graduate (4,2) 1, Calvert's Calvdale Beautiful Romance. Beautiful head and eye, with deep and soft expression. Super lay of shoulder, and good angles at front. Excels in rib, good bend of stifle. Super let down of hocks. All correctly put into play on the move with reach and drive, very merry, but still only a puppy. Good tail set.

One I will monitor with interest as she develops. BPIB, PG1. 2, Calvert's Calvdale

Heritage Folly. From a dam that I gave BoB to last time I judged in this area.

Another one I also liked, but just a little more raw than winner at the present.

Open (4, 3) 1, Eddleston's Calvdale Nash Bridges. Black dog 20 months. Good eye and head with correct workings through to a well laid shoulder and muscled neck. Lacking some forechest for me. Moderate bend of stifle, well let down hocks. Tail set carries a bit high on the move. Presented immaculately and credit to the owner and handler. BoB.

Spaniel (Sussex)

Open (3, 2) 1, Nesbit's Yorkham Fred Bear from Chabrouille. 6 year old male. Lovely soft expression, with that certain naughty twinkle in his eye. Good head proportions, well set ears. Good front and angles. Nice spring of rib. Good length of loin, could carry a little more substance over the middle however. Moves well with reach and drive. Tail carried just a tad high on the move.

Spaniel (Welsh Springer)

Graduate (3,2) 1, Chandler's Chanangel Dujardin. 6 month bitch. Good eye and expression. Beautiful head workings. Super rib, moves well albeit the ring wasn't helping any dog today. Good stifle. Little nervous at first, but soon got over it and settled on the move.

Open (2,1) 1, Chandler's Chanangel Sticky Wicket. Dog, with a beautiful expression and head. Super movement. Good rib and loin. Nice front. Good stifle, moves with reach and drive. BoB. G2.
